To Whom It May Concern,

In the 5+ years that our company has been in business we have partnered with International Merchant Services for a mutually beneficial and positive working relationship.

IMS has always been easily accessible and prompt to assist us with any needs that our company has had. Their customer service is top notch and their professionalism makes it a joy to work with them.

We look forward to continuing to work with them in the future and would recommend their services highly to anyone.

Thank you,
